What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

Parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers met with their subject area teams to design practical strategies for parents to use at home. Parents provided valuable feedback on their needs to help their students. Students completed comment cards to add ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.

Academic Achievement Goals

There are many opportunities at our school for parents to volunteer and play a role in their child's education.

Please consider joining the PTA and volunteering on activities such as:

- *Fine Arts Productions
- *Grants Planning
- *Campus Beautification
- *Teacher Support-Copying, Boards

Building Partnerships

We value our business partnerships. Our goal is to increase our partnerships by 20%. If your business would like to join us a partner, please notify Ms. Slater or Dr. Miller.

Communication about Student Learning

Utopian Academy for the Arts communicates with parents and students in several ways:

- Parent-teacher conferences
- Infinite Campus - Grades, Teacher Communication
- Academic Nights
- School Newsletters
- PTA events
- Social media sites

Academic Plan & Goals 2021-2022

The academic goal is to grow 1.5 years of improvement based off the diagnostic results in Math and Reading.

Action Steps

- Obtain and fully implement curriculum and materials that are aligned to state standards
- Incorporate performance assessments in classroom instruction
- Provide professional development- coaching and mentoring for teachers to include creating more opportunities for active engagement in classrooms to meet and exceed standards
- Increase parental involvement efforts
- Hold two Academic Nights to discuss student's progress and grades
- Strategies to improve all academic subjects
- Conduct early pre-assessments of all students to direct placement and support
- Conduct accelerated classes in reading and math at all grade levels per placement assessments
- Increase writing opportunities
- Provide tech intervention and growth instruction/support at least 3 hours per week using I-Ready.
- Create and implement new RTI Plan to ensure that all students receive needed supports
- Maintain and fully utilize classroom performance and behavior data to inform student improvement decisions

As a school we will...

- Practice math and reading skills in each content area
- Model Reflective writing and summarize learning in each content area
- Develop an incentive ELA based Reading and Math Plan
- Read and build Vocabulary in all content areas.
- Provide small groups, personalized ELA and Math support

As Parents we will...

- Make sure my student attends class each period on each day
- Track my child's reading and math progress
- Help my child meet their I-Ready Goals

As a Student I will...

- Practice the math and reading skills I am struggling with
- Write about what I have learned to study my content
- Participate in the ELA Reading Incentive program
- Read at least 5 books this year
- Meet my I-Ready Goals in Reading and Math
