

Georgia Home Language Survey

Notice to Parents and Guardians:

Georgia school systems are required¹ to collect your responses² to questions about your preferred language for school communication and your child's primary or home language. Information from the first question is used to identify your need for an interpreter or for translated documents. Information from the three *Home Language Survey questions* and the additional language information help us determine whether to screen your child's level of English language proficiency. The screening process will identify if your child qualifies for English learner status and services in our language instruction educational program.
