ACADEMY FOR THE ARTS

MIDDLE SCHOOL

Music Pathway

Grades 6–8 | Arts Education

The Music Pathway offers scholars a dynamic and enriching experience in both **Vocal Performance** and **Music Technology**, designed to cultivate artistic talent and technical expertise in the evolving world of music.

Vocal Performance

This focus is designed to nurture the talents of aspiring vocalists through comprehensive training in essential vocal techniques such as **breath control**, **pitch accuracy**, and **dynamic expression**. Scholars will participate in both **individual and ensemble performances**, building confidence and refining their unique vocal styles.

- The curriculum includes **genre-specific training**, **microphone techniques**, and strategies to manage **performance anxiety**, ensuring scholars are prepared for both live and studio settings.
- By the end of the course, students will be equipped with the skills and poise to excel in the vocal arts, with a strong foundation for future performance opportunities.

Music Technology

This focus introduces scholars to the technical side of music production, offering hands-on experience with **audio recording**, **mixing**, and **mastering** using industry-standard software and hardware.

- Scholars will explore **sound design**, **digital audio workstations (DAWs)**, and the **fundamentals of acoustics**, gaining a deep understanding of how music is created and refined.
- Through collaborative projects, students will produce original compositions and recordings, developing a portfolio that showcases their technical proficiency and creative vision.

Together, these courses prepare scholars for advanced music studies and future careers in performance and production, while fostering creativity, discipline, and a lifelong love of music.
