

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective components:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

Parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers collaborated to determine ways to better engage parents and to assist parents with their scholars at home. Parents provided valuable feedback on their needs to help their children and to make improvements at school. Students provided input to school leaders that was used to create the compact.

Meetings are held each year to review and revise the compact based on the school's academic goals and needs. Parents may provide feedback to the compact at any time during the school year. All feedback will be collected and reviewed during the annual stakeholder meeting.

Activities to Build Partnerships

The success of Utopian Academy for the Arts depends on strong relationships between the school, parents, and the community.

Parents will be engaged in multiple ways:

- Invitations to Meet & Greet, Open House, Curriculum Nights, and arts programs/events
- Input surveys to provide feedback to school leaders
- Volunteer opportunities
- Parent Advisory Council (PAC)
- Parent Family Engagement events
- Workshops

Communication about Student Learning

Utopian Academy for the Arts communicates with parents and scholars in several ways:

- Direct contact from staff
- Parent-teacher conferences (Twice a year and optional Wednesdays)
- Class Dojo and Infinite Campus notifications
- Progress and Report Cards
- Weekly Principal Newsletters
- Social Media posts
